AROUND THE CLASSROOMS

KJ Welcome back to our wonderful kindergarten students.

Last term we made worm farms to take home and enjoy. Thank you to Mrs Simpson for supplying the worms. Many of the students have been feeding their worms food scraps and leaves over the holidays.

This term Kindergarten students will be experimenting with the way things move. The students will be classifying different toys and playing with ‘old fashioned’ toys that are able to move without batteries.

KJ have been enjoying their reading time and look forward to their new books every week. It is wonderful to see the students excited about their reading and writing.

Just a reminder to parents, KJ will be performing at assembly this Wednesday. Assembly starts at 12:20pm.

Hopefully we will see you there! Jennifer

Cox

6W Thank you to 6W for the warm welcome and I look forward to working with each and everyone of you for the rest of the year.

This term’s English unit ‘Australia Grows to Nationhood’ is based around Nadia Wheatley’s book ‘My Place’. The students will be discussing how Australia has developed and changed as a society and exploring what constitutes the Australian identity.

Our COGs unit also has a connection focus on identity. Students will examine how personal identity is shaped and influenced by significant events, other people, family, peers and the media.

In Science and Technology, students will be encouraged to build on prior knowledge about changes in the state of solids and liquids to gases. Students will be thinking scientifically and investigating how these changes in the state of everyday materials relate to the addition and removal of heat.

Ben McLean

NEWSFLASH!

‘Ben Venue Starmaker 2014’

Years 3-6

Beginning Week 2

Round One will be held in your music lesson time

- Be well organised by having your music/instruments/props with you for your performance

Armidale Minibasketball is back on. All players both experienced and new are invited to participate in games and training during Term 3. The cost is $5 per game or $35 per term. Miniball is basketball for primary school children and is divided into three grades: players in Kinder/Years 1 & 2, players in Years 3 & 4 and players in Years 5 & 6. Games are held on Mondays at The Den, located at AHS. Come along and try it out for a week to see if you like it; new players are always welcome.

Games begin at 4:00pm for K-2, 4:50pm for players in Years 3 & 4 and 5:40pm for players in Years 5 & 6. A combined training session is held on Wednesday afternoons at 4:30pm - 5:30pm and is free to all players and primary school children, even if they do not play basketball.

If you would like to participate in this fabulous game, please contact Judy Monaghan 0417 622 859 or at armball@bigpond.com.
