Ben Venue Public School...

where great things are always happening!

WELCOME TO 2015

Kindergarten 2015

I have just been to visit the Kindergarten classes and I am amazed at how quietly confident the students were in their classrooms. Congratulations parents - you have prepared your children well. Kindergarten students are dismissed at the same time as all other students - 3.20pm. To find a parking space around Venue in the afternoon can often be a challenge, so the 3.20pm dismissal assists family pickups/bus travellers/sibling collection. Please wait on the silver seats under the trees or on the brick wall. Avoid the verandahs and waiting at the classroom door please as it distracts from the lesson and makes students inattentive if they can see you.

Teachers have meetings and phonecalls/interviews after school so please make an appointment if you would like to discuss any aspect of your child’s “settling in”. Conversations at the classroom door are not encouraged as teachers need to supervise all students to ensure safety and well-being.

Green fence around the Pebbled Area

The new green fence is much sturdier, although a little difficult to manage, so the gates will only be closed during playground duty at recess and lunch. They will be open when students come to school and opened in the afternoon. At all other times, younger students will use the double gates (without a childproof lock) during school time. The new (higher) fence for the Kindergarten Play Area has started to be constructed today. Soon there will be playground equipment, a sand pit and lots of equipment for these students to use. Thank you to the Parent Club/P&C who have been fundraising to equip this area. The school has also put aside a sizeable amount of money to make it a great play space.

Changes to internal bell times

The internal timetable for the school day has altered slightly to accommodate 40 minute RFF lessons in Music, PE and Library. Students are to be in their classrooms ready to work at 9.20am. The recess break 11.20am – 11.40am remains the same. Students will begin eating lunch now at 1.00pm and the afternoon session will begin at 2.00pm. Students who arrive late to school must report to the Front Office to sign in and this will also apply to students who return late after going home for lunch.

These late times need to be recorded and will be monitored by the Home School Liaison Officers. They access the data remotely without having to visit the school.

Congratulations to Sally Spillane and the Yr 6 selected choir members - off to the Opera House again for the Bennelong Concert on October 28! We await news about the Marimba Group.

The Prefect Excursion to Sydney is scheduled for March 22–25. Organisation and accommodation is being finalised this week for a visit to a city school and Parliament House, to see leadership in a different context. There will be a local Leadership Course offered to students in Years 5 and 6 and details will be given to these students soon.

2 February 2015
Over the weekend it was obvious that people had entered the school grounds and climbed over locked gates to use the upstairs verandahs. I have reported this to Police and asked for patrols. There is no after-hours use of school grounds permitted without a written contract and payment of the appropriate fee including the Basketball Court, Shade Shelter and COLA area. The gym area is also included in this regulation from the DEC.

Looking forward to a great 2015!
